**1. There is no premium payable for Building settlement cover.** Building settlement cover is available if you enter into a 12-month Home/Landlord insurance policy with Buildings cover (**12-month policy**) with Allianz in connection with the purchase of a residential home/investment property. It is not available for land-only ownership or Strata Title properties. Cover is subject to normal underwriting terms and is offered subject to your eligibility for Home or Landlord Insurance. It provides cover for your home building from the date Allianz agrees to enter into the 12-month policy with you and expires on the date of settlement of your home as nominated by you. This period cannot exceed 90 days and will be shown as the Building settlement cover period on your schedule. Building settlement cover is provided on the same terms, conditions, limits and exclusions of your Home or Landlord (as applicable) insurance policy (which are set out in the Buildings cover section of the Product Disclosure Statement (PDS), and any Supplementary PDS provided and your policy schedule) during the Building settlement cover period shown on your schedule. For both Home and Landlords insurance neither Contents cover nor any of the optional covers applies during the Building settlement cover period shown on your schedule. If these are shown as covered on your schedule, they will apply from the effective date of your 12-month policy shown on your schedule. Landlord contents which is provided as an additional benefit under Buildings cover is not excluded (Landlord policies only). The 12-month policy will commence immediately following the expiry of the Building settlement cover period shown on your schedule. Once the policy is purchased, the expiry date of your Building settlement cover and the commencement date of your 12-month policy cannot be changed unless agreed to by Allianz in writing (acting reasonably). You must consider whether you need insurance for your settlement period as this varies from state to state and may also depend on the terms of your contract for sale of property and if so whether the Building settlement cover meets your needs. Home Buildings settlement cover does not provide cover for contents, which include curtains, carpets, and blinds. You should consider whether you require cover for your contents during this period and for Landlord settlement cover whether Landlord Contents is sufficient. Please seek independent advice to ensure that you are adequately covered at the appropriate time.

**2. Rent Default & Theft by Tenant:** Option to be covered for loss of rent due to specified rental defaults, up to \$10,000 in total for all claims during the period of insurance and cover for loss or damage to your insured buildings or contents caused by theft, burglary or housebreaking committed by your tenant or invitees of your tenant. See Product Disclosure Statement for limits per claim, and terms and conditions.

**3. No Claims Bonus:** When you take out a new policy, we calculate your No Claims Bonus (NCB) based on your home or landlord (as applicable) insurance claims history. To qualify for the maximum No Claim Bonus of 30%, home insurance customers must have had no Building or Contents insurance claims in the preceding 5 years. Landlord customers must have had no Landlord insurance claims in the preceding 3 years. However, customers who have had claims may still qualify for a reduced No Claim Bonus.

**4. Pay by the month at no extra cost Instalment premiums:** If you choose to pay your premium by instalments you do not pay us any more than if you pay your premium in one lump sum annually. The premiums payable by instalments may be subject to minor adjustments (upwards or downwards) due to rounding. Note: Your financial institution may apply transaction fees to instalment payments.

**5. 72 hour exclusion period:** We may not provide cover for any loss of or damage to your property caused by cyclone, flood, grassfires and bushfires during the first 72 hours after you first purchase a policy, or you increase your cover under an existing policy.

**6. Choice of Repairer:** We may agree with you to use a repairer (other than the one you selected), or pay you reasonable repair costs. We will act reasonably in doing so.

**7. Safe Driver Discount:** Safe Driver Discount applies to Comprehensive Motor Insurance policies only. Any discount entitlement is determined by the insurance history and driving history of all drivers on the policy and the number of claims made by them. If eligible, the maximum Safe Driver Discount that may be applied on new policies is up to 10%.

**8. Minimum premiums:** Any discounts/entitlements may be subject to rounding and may only apply to the extent that any minimum premium is not reached. If you are eligible for more than one discount, Allianz applies them in a predetermined order. This means any subsequent discount will be applied to the reduced premium amount after applying any prior discounts and the effect of the subsequent discount will be reduced. For example, the aggregate effect of applying two 10% discounts consecutively means that you will not see the full benefit of both these discounts. Discounts do not apply to taxes or government charges. Discounts do not apply to optional covers for Domestic workers' compensation / Landlord workers' compensation, and may not apply to other optional covers (if available and selected).

**9. Rental costs after an insured event:** Benefit is applicable only if you have buildings cover or if your building is part of a strata title development and you have contents cover only.
